This one day course is designed as an introduction to the Cub Scout outdoor program for those leaders who are interested in adding camping and outing components to their Pack activities. BSA's Cub Scout level camping policies will be taught along with the necessary tools to help units carry out a successful camping experience. Completion of this course is mandatory for at least one adult on a Pack overnighter.

This is a fun hands-on course where you learn by doing in an outdoor setting not too far from home. Your comfort as a leader will increase as you become more confident because of the new knowledge and skills you acquire. You will work with other Scout leaders, meet new friends and have a great time!

Lunch and materials will be provided with the fee. Each participant should bring your own small tent and camping chair, Scout uniform, water bottle, hat, pen/pencil and their Scout Spirit!
