The Introduction to Outdoor Leader Skills (IOLS) course is a fun-filled program of hands-on outdoor skills training designed to help you master the basic skills Boy Scouts are required to learn to advance from Tenderfoot to First Class. This is a fun hands-on course where you learn by doing in a wilderness setting not too far from home. Saturday meals are included (Breakfast and Lunch)

Each session will bring the Boy Scout Handbook to life to help you deliver the promise of Scouting to the youth you serve. Your comfort as a leader will increase as you become more confident because of the new knowledge and skills you acquire. You will work with other Scout leaders, meet new friends and have a great time!
