

The Trainer's EDGE

Saturday, May 13, 2017 8:00 AM – 4:00 PM

(Participants must fully complete the session; no "partial credits" will be allowed.)

The Trainer's EDGE is the BSA's "train the trainer" course. This course is for all council, district, troop, crew and pack trainers, and individuals who would like to serve as trainers. It is also meant to supplement the practice offered through Wood Badge and NYLT staff development.

This course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media. Trainers should know that only practice can polish your presentation skills. Much of the course is built on learner participation, and **participants will be expected to prepare a 10 minute presentation on a Scouting topic**. A Scout leader uniform is appropriate wear, if you have one, but it's not required. Lunch will be provided.
