**The Silver Beaver Award** was introduced in 1931 and is a council-level distinguished service award of the Boy Scouts of America. Recipients of this award are registered Scouters who have made an impact on the lives of youth through service given to the council.

**Eagle Scout** is the highest rank attainable in the Boy Scouting program of the Boy Scouts of America. Requirements include earning at least 21 merit badges. The Eagle Scout must demonstrate Scout Spirit, an ideal attitude based upon the Scout Oath and Law, service, and leadership. This includes an extensive service project that the Scout plans, organizes, leads, and manages.

**The Quartermaster Award** goes to the young adult who attains the highest rank in Sea Scouts. The award is rich in symbolism. The blue ribbon stands for loyalty and country. The compass suggests the importance of carefully chosen direction in life. The wheel reminds us that we are the guide of our own future and that we must persevere with self-discipline.

**The Summit Award** is the highest award of Venturing. The Summit Award goes to those Venturers who have matured in their personal direction, skills, and life competencies, and who have accepted the responsibility to mentor others and serve their communities in a lasting way. The requirements focus on advanced concepts and skill in the four areas of emphasis for Venturing -- Adventure, Leadership, Service and Personal Growth.
