Seabadge is intense leadership and management training focused on the “how-to” aspects of managing a **successful youth and Sea Scout program**.

While Seabadge was developed as an advanced leadership training program for experienced Sea Scout adult leaders, **the course is open to all adult Scout leaders** and is especially useful for Scouters who lead older Scout patrols or are Venturing Leaders or deal with older Scouts in any capacity.

Goals of Seabadge:

- Improve understanding of leadership, management, and motivational skills.
- Provide management leadership, and presentation skills and tools.
- Use the skills and tools acquired at Seabadge to improve the quality of the Sea Scout program.
